

National Front Membership for 2022.

Membership of the National Front for 2022 costs £10.

No member of the National Front may simultaneously hold membership of another political party registered with the Electoral Commission. The first two years of membership from the date a card is issued are probationary. The National Front and its branches send out bulletins to members throughout the year. All bulletins, except those containing enclosures, may be sent by email to the email address supplied – if supplied – in order to save costs.

The National Front is a radical racial nationalist movement made up of a confederation of semi-autonomous branches. The primary object of the National Front is to ensure the survival and advancement of the White Race and the British nation.

I affirm my support for the National Front and its Constitution. Please accept my membership fee of £10. (Membership number, if known, for renewals)
